Terms of the program:

Practicing: It is strongly recommended that parents set aside a regular time for practice each day in a place allowing quiet and uninterrupted practice to help develop self-discipline and good practice habits. If a student is repeatedly not prepared for their lesson a teacher may request to have the student terminated from the program. Students attending lessons must have an instrument available for practice. We have a limited number of guitars to lend.

Attendance: Students absent for 2 consecutive weeks will lose the lesson time, subject to review by the Directors' Committee. It is important to inform your teacher or our administrator in advance if your child will be absent.

Extra Subsidy: Students may be eligible for extra subsidy for one class dependent on financial situation, regular attendance and consistent effort. Subsidy requests will be considered by the Directors' Committee and reviewed each September.

Payment: Full payment is requested at registration for all courses or in the beginning of each term. Please make cheques payable to Springboard to Music.
